

A Letter from the Presidents

Join us in the 2013-2014 year.

Fellow Smithies,

Welcome to the 2013-21014 year for the Smith College Club of Washington. We are planning a number of interesting and stimulating activities and hope that you will participate in SCCW activities.

The goal of the SCCW is to encourage and strengthen a connection between Smith College and its alumnae in the DC area. We foster a spirit of friendship and connection among Smithies and we strive to engage local alums in the academic and extracurricular activities of Smith College. Smith College is a wonderful institution and its staff want the college to be relevant in our current every day lives.

Please join us in one or more of the Washington Smith Club's primary activities:

Recruit new students for Smith

Smith continues to attract intelligent, motivated, creative young women who then go on to play important roles in the global world. Work with our Admissions Committee to reach out to local young women and encourage them to follow in our footsteps at Smith.

Raise funds for our Endowed Scholarship Fund

The proceeds from the Endowed Fund are used to help local young women attend Smith. Our main fundraiser is our decades old annual pecan sale which begins in October. The club also sponsors other fund raising events throughout the year such as theater benefits, special parties, and special events. Support these events to raise funds for future Smithies. If you'd like to make a donation today, please visit the [fundraising page](#) of our club [website](#).

Attend our programs and events

Join us at our events and connect with other local alums. Our Holiday Tea in December is always a favorite as are our spring parties. See our newsletters, our [Facebook page](#), and our [website](#) for details on upcoming events.

Partnering with Martin Luther King Elementary School

The SCCW has had a partnership with Martin Luther King Elementary School in southeast Washington for 14 years. Our emphasis is on the joy of reading. Our Read-Aloud program volunteers read to a class once or twice a month. The tutoring program volunteers work one-on-one with 2 or 3 students once a week. The Club also sponsors special programs at the school, presents book awards and has recently produced a literary magazine. Read more about [volunteering opportunities on our website](#).

You can show your support for the Smith College Club of Washington right now by paying your tax deductible club dues. Your dues help cover the costs of our admissions activities, programs and events, the MLK partnership, newsletters, and a part time office staffer. Click here on our [website](#) to pay dues online or use the mailed dues envelope to pay and volunteer for some of our many activities.

We hope you will be engaged with the SCCW this year and enjoy the club's offerings.

Caroline and Suzanne
