### **Volunteer With Dogs!**

Join the Young Alums for a group volunteer day with K-9 Lifesavers, a 501c(3) non-profit organization that rescues homeless and abandoned dogs from high-kill shelters, owners who can no longer care for them, and other high-risk situations.

Help out at an adoption event by handling available dogs and talking to potential adopters. Yes, we actually get to play with the dogs! The adoption event is Saturday, October 19, 12pm–2pm at PetSmart, 12020 Cherry Hill Road, Silver Spring, MD. Please arrive by 11:45 and plan to stay until 2:15.

Please RSVP if you are interested in coming by emailing Ali Recht at [a.recht@gmail.com](mailto:a.recht@gmail.com) (there's no limit but we need to let them know how many people to expect). Please note if you will need a ride, or can offer one to others.

This event is open to all alums and guests. The more the merrier!

Delicious Smith pecans are here! Each year, we raise almost \$6,000 for the SCCW Scholarship Fund from our pecan sale. This is our primary fundraiser for the year. Your purchases enable the SCCW to provide scholarship dollars to Washington-area students who attend Smith.

The price is again \$10.00 for a pound of high quality extra large pecan halves, an excellent price compared to store prices. \$2.90 per pound is tax deductible.

The mouth-watering chocolate covered pecans will be here soon. They make a perfect holiday hostess gift, if you can resist eating them yourself. The chocolate covered pecans are now \$8.00 for a 12 oz. bag (\$2.70 tax deductible). Thank you for your support!

## SCCW and MLK Elementary School: Supporting Students and Teachers

The school year is underway and Smith Club volunteers are back at Martin Luther King, Jr. Elementary School. In early September, volunteers assisted in the library for the Scholastic Book Fair. Thank you to Maria Consuelo Gall, Peggy Greene, Barbara Harper, Nancy Simon, Knia Tanner and Diane Wilbur.

We also were able to speak at the School's Back to School night as a community partner.

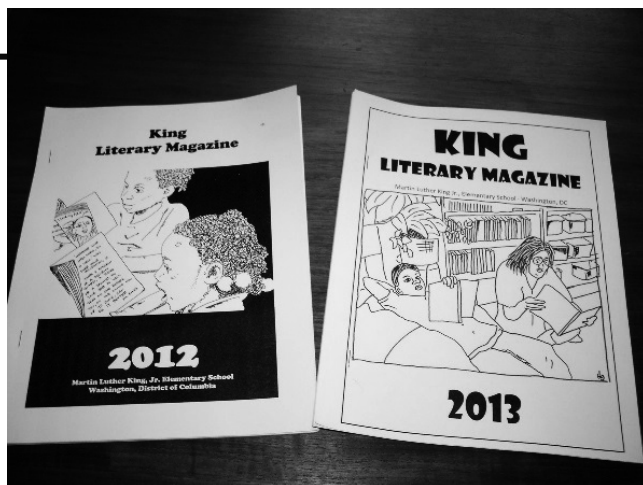

We recently received the following letter from Bryan Hill the school's art teacher for 15 years. He has assisted the club in producing the literary magazine and designing the covers.

"I am a 2013 finalist for the Mayor's Art Award for Teaching. The Mayor's Award for Arts for Teaching is the most prestigious honors conferred by the city on individual teachers of the arts. The D.C. Commission on the Arts and Humanities will present the 28th Annual Mayor's arts Awards on Tuesday, October 22, 2013 at 7:00 PM at the Warner Theater.

Win or lose, I want to thank the Smith Club of Washington, for all the support that you lovely ladies have given me and the art program here at King over the past 15 years. At times, when I was down to my last box of crayons or when the last drop of glue was squeezed out, you always came through for me. Or the numerous calls for supplies that I have received from magazines, to calendars, to the shoe boxes, nothing has ever been unappreciated. I was honored when I was asked back in 2000 to be a guest on the campus in Northampton; that will be an experience as a teacher that I will always remember. So when I'm sitting in the Warner Theater next month, please know I'm sitting there with you guys in mind, knowing that I would not be where I am today in my career without the un-yielding support of the Smith College Club of Washington in my corner."

For those who don't know, Ruth Simmons invited the MLK choir to "sing for her girls" after a visit to the school. The trip to Northampton for the children, some parents and school personnel was truly a memorable experience for them all.

For more information on our MLK Partnership or to volunteer: contact Andrea Kane about reading aloud (202-544-1516 or [akane@thenc.org](mailto:akane@thenc.org)) or Nancy Simon about tutoring and other opportunities ((301) 530-1202 or [ngsimon@verizon.net](mailto:ngsimon@verizon.net))

### **Marguerite Peet Foster**

**August 4, 1925 – June 7, 2013**

Marguerite (Margot) Peet Foster passed away peacefully at her beloved Rockwood Ridge Farm in Bluemont, VA. on June 7, 2013. Margot was a dedicated Smith alumna and played an active role in Smith College Club of Washington events for many years. She served on the board of the SCCW in a variety of roles. She was assistant treasurer for several terms and managed our operating funds efficiently and astutely. She was an invaluable advisor for many years, suggesting programs of interest to a broad spectrum of alums and working on SCCW benefits. She hosted many Smith Club events at her lovely house in Georgetown, welcoming newcomers to Washington, potential students, and many DC area Smith alums to programs and parties held at her spacious house with attractive gardens.

Margot grew up in Kansas City, KS. Riding was a lifelong passion and she competed both in jumping and dressage and fox hunted regularly. The first woman in her family to attend college, Margot graduated from Smith College in 1947. She completed her Masters of Education at Harvard University 1977.

Margot was an innovative teacher who began her career teaching biology at National Cathedral School for Girls. In the mid '60s, Margot returned to her lifelong passion as a teacher of Earth science at The Potomac School in McLean, VA. In the 70s, she founded the oceanography program at Tabor Academy in Marion, MA. In the '80s, she was instrumental in starting the first computer lab at The Potomac School.

She was active in the National Zoological Society, the Smithsonian Women's Committee, and the Founders Board of St. John's Community Services, from whom she received the Pillow Lee award for her lifetime contributions. Her energy, vision, love for her friends, relatives, and students of all ages will be missed by all.
