## Oops!

We offer our apologies to any Smith Club members who were looking forward to the faculty speaker event in February. Unfortunately, at the last minute, unforeseen events prevented Professor Pat Skarda from speaking to our Club as scheduled. We look forward to scheduling our next faculty speaking event. In the meantime we will be providing you with many more opportunities to come out and get involved in Club activities.

## What you missed last Fall!!

Last Fall the Club hosted a casual meet and greet at Bar Louie where attendees had a great time getting to know new Smithies and catching up with old friends over good food and drink. Members also had the opportunity to see the dynamic Thelma Golden ('87), Director and Chief Curator of The Studio Museum in Harlem speak at the Contemporary Art Museum of St. Louis. Described as one of the most important and unique voices in the global art world today, Ms. Golden spoke on art as a vehicle for a dialogue about race and culture. Several alumnae attended both events and enjoyed the camaraderie. We missed all who couldn't attend and look forward to seeing you at future events.
