In this small Central American democracy kissed by nature, our small group discovers a nation’s wealth in four distinct regions, from cloud forest to rain forest; Central Valley to Pacific Coast. As Costa Rica presents its staggering display of bio-diversity – pristine landscapes, unique microclimates, exotic flora and fauna – we enjoy a relaxed yet comprehensive exploration that celebrates Costa Rica’s wide-ranging natural resources.

Day 1: Depart for San Jose, Costa Rica
We arrive in the Costa Rican capital and transfer to our hotel located in the San Jose Escazu area outside the city. This afternoon and evening are at leisure.

Day 2: San Jose
After meeting our Odysseys Unlimited Tour Director and fellow travelers at this morning’s breakfast briefing, we embark on an excursion through the Central Valley to Poas Volcano National Park. Here we view the world’s largest crater, a steaming, bubbling caldron; and also take a guided walk along park trails. We continue on to the Doka Coffee Estate, located on the fertile slopes of Poas Volcano, where we learn about coffee-making and Costa Rica’s coffee industry, one of its largest exports. After lunch at the Doka Estate, we return to our hotel late afternoon. Tonight we enjoy a welcome dinner together. B,L,D

Day 3: San Jose/Arenal
We leave this morning for the Arenal region, passing picturesque villages along the way. We stop in Carrizal at the family-owned Botanical Orchid Garden, with tropical trails, exhibits, nurseries, and gardens all dedicated to the wondrous orchid plant. After time to explore here, we travel on to Arenal and our hotel, which offers magnificent views of Arenal Volcano and where we dine tonight. B,L,D

Day 4: Arenal Region
This morning we visit a local elementary school to enjoy a cultural exchange with the children and learn about Costa Rica’s vaunted educational system – the country boasts a literacy rate of more than 95%. We continue on to Ecocentro Danaus, a biological reserve focused on conservation, environmental education, and sustainability. A series of trails winds through the secondary forest, where we see diverse flora, including orchids, bromelia, and heliconia, along with some of the preserve’s 150 species of birds, sloths, and bats, among other fauna. Highlights include a butterfly farm with 30 different species and a natural water spring.

Responsibility:
The liability of Smith College, as sponsor, and Odysseys Unlimited, Inc., as tour operator, is strictly limited. Odysseys Unlimited, Inc. purchases transportation, hotel accommodations, restaurant and other services from independent suppliers not under our control. We serve only as agents for these suppliers in securing tour arrangements, and therefore will not accept responsibility for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, their employees, agents, servants or representatives. Smith College and Odysseys Unlimited, Inc. are not liable for injury, damage, loss, accident, or delay that may be caused by events not within our control, including without limitation, acts of terrorism, war, strikes, the defect of any vehicle, or the negligence or default of any third party. All coupons, receipts, and tickets issued are subject to the terms and conditions specified by the air carriers, cruise line, and other independent suppliers. We will make every effort to operate our tours as planned, but we reserve the right to make itinerary changes as necessary. If unforeseen circumstances require us to change a hotel, we will select alternative accommodations of the same or better quality.

Health and Medical Issues:
We request that you be in good health to participate in this tour. There is a reasonable amount of walking, and you must be able to get on and off motorcoaches on your own. Odysseys Unlimited, Inc. includes in its tour price round trip economy air from designated gateway cities as shown and contracts with those airlines they feel provide the level of service, routings, and value necessary for your entire trip. You will receive your preliminary air schedule approximately 2½ months prior to departure. Please note that seat assignments on your international flight are usually done at airport check-in. Odysseys Unlimited is unable to guarantee any seat assignments. Due to the nature of tour operator tickets, other restrictions apply, including but not limited to, frequent flyer mileage accrual, stopovers, alternate travel dates, upgrades, and airline taxes and departure fees. If you prefer to make your own travel arrangements, Land Only is available on most tours. Since international and domestic air schedules are subject to change at any time, we recommend that if you choose to make your own airline reservations, you do not purchase nonrefundable tickets or those with high penalties for changes.
