Join this one-of-a-kind, seven-night, exploration-style cruise through the Inside Passage from Juneau to Vancouver during the long days of summer. The exclusively chartered, Five-Star, small ship LE SÉLÉNA navigates isolated inlets and coves inaccessible to larger vessels, offering a superior viewing experience and bringing you up close to the most spectacular scenery of southeastern Alaska and Canada. During naturalist-led Zodiac excursions and from the comfort of your own spacious, ocean-view Suite or Stateroom, see Arctic-blue glaciers, towering mountains, untouched coastlines and abundant wildlife—whales, harbor seals, porpoises, sea lions, sea otters and eagles in their natural habitat. Experience the unspoiled Inian Islands, dramatic Tracy Arm Fjord and seldom-visited Misty Fjords National Monument (weather permitting). Call at the historic fishing towns of Sitka, Petersburg and Ketchikan, where you will step back into the gold rush era and discover the living heritage of the indigenous Tlingit people. An onboard team of naturalists provides a series of lectures focused on the local wildlife and landscapes. Denali National Park, Fairbanks and Anchorage Pre-Cruise Option and Vancouver and Victoria Post-Cruise Option.
