SMITH REUNION

FRIDAY - SUNDAY
MAY 17-19

2013
SMITH REUNIONS ARE LEGENDARY

They’re a time when Smith women come together to celebrate their lives and the power of Smith College — and Smith alumnae — in the world today.

YOU’LL LAUGH, YOU’LL SHARE, YOU’LL RECONNECT AND REMEMBER.

And you’ll once again experience the intellectual excitement that makes Smith the world’s foremost college for women.

Join your Smith classmates and friends on campus in May for one of the best parties of the year.

We look forward to seeing you!
MAY 17-19 HIGHLIGHTS

AN OPEN CONVERSATION WITH PRESIDENT CAROL CHRIST
Join President Christ for an informal, “view-from-the-top” conversation about Smith today: the people, the place, and the powerful academic program that continues to produce graduates of influence and distinction.

CAREER WORKSHOPS
Colleen Devecchio, associate director for alumnae engagement, will lead three sessions:
• Tap into Your Talents
• Update Your Resume
• Smith Moms Connect: Negotiating a Return to the Workplace
Visit alumnae.smith.edu/reunion2013 for schedule and detailed descriptions.

ACADEMIC OFFERINGS
Smith is a place where big ideas take flight. During Reunion you’ll expand your intellectual horizons through lectures and presentations by Smith faculty that replace the full-day, fee-based Alumnae College program. It’s our way of reminding you of the rich and vibrant academic environment that students experience every day, and that you remember from your own time on campus.

ALUMNAE PARADE
Don’t forget your whites! Join this moving, time-honored Reunion tradition that reminds alumnae and seniors alike of the continuing global, generational movement that is Smith College.

ILLUMINATION NIGHT
Stroll the campus on Saturday night, when music fills the air and the grounds come alive with the glow of delicate Japanese paper lanterns. Relive your own days as a senior moving onto the next great adventures in life!

CLASS PROGRAMS AND HEADQUARTERS
Watch for news from your own class Reunion team about the exciting programming they have planned. Reconnect with classmates you haven’t seen in five, ten, twenty years – or make a new connection with a classmate you never knew during your time on campus. You’ll leave with an expanded circle of friends and a richer connection to Smith!
