A Message From the Class Presidents

Hello Smithies,

First, one easy way to budget for your annual giving and ensure you don't forget to remind yourself about annual giving before the close of the year on June 30. I find it helpful to put an annual giving reminder in my Google calendar so I don't forget. If you've already made your annual gift, congratulations! If you haven't yet made your annual gift, consider putting it in your 2021 budget.

Second, we are looking for more volunteers to be part of our class volunteers and planning for Smith’s future. Benefits include a lovely lapel pin featuring the Grécourt Gates, an invitation to a Grécourt Society reception held during Reunion, and pride in planning for Smith as we all grow older together. Sorry to end it there, but we are almost 50. LOL.

Elizabeth Foley-Wendt.

Gates, an invitation to a Grécourt Society reception held during Reunion, and pride in planning for Smith’s future. Fundraising Update

Your giving means a lot to the students and faculty at Smith College. In addition to those of you who have yet to make your annual donation, mark your calendars to here for more updates on our fundraising efforts.

Thank you! We’ll have one more campaign for FY21 coming up in June. But you don’t have to wait until then to give—there are likely some more dough for student scholarships and financial aid! FYI – Wellesley’s annual giving participation rate is more like 40% - 50%.
