This document contains various pieces of information, including announcements, class updates, and contributions to a fundraiser. It also includes a call for class notes and mentions a Facebook group for Smith alumnae who love cats. There are references to the Smith Fund, which is described as a critical source of financial support for Smith students, and a goal of raising $12 million with a class participation target of 30% by the 30th reunion. Additionally, there is a mention of the Smith Experience, highlighting the confidence building and opportunities for networking. The document also touches on the importance of estate planning and mentions a Facebook group for Smithies who love cats, with a 'cat train' organized by Smith alumnae. There is an encouragement to connect with classmates and alums, and a reminder to unsubscribe from emails or update preferences if needed.
