Dear Smith Alumnae and Friends:

We are delighted to invite you to experience the magnificent beauty of Norway's fjords and the cultural rebirth of the Baltic states on this special voyage during summer’s spectacular White Nights. We are particularly proud to announce that this program offers a once-in-a-lifetime opportunity to meet with Lech Walesa, winner of the Nobel Peace Prize and leader of the Solidarity movement’s struggle against Communist rule, which eventually toppled Soviet domination in all of the Baltic states and Eastern Europe.

This unique itinerary includes accommodations aboard the exclusively chartered, deluxe M.S. LE DIAMANT, one of the world’s most celebrated small cruise ships, featuring only 113 outside staterooms. Continually refurbished, the ship offers a luxurious sanctuary with personalized service, fine cuisine and elegant amenities.

Embark in historic Stockholm and visit the recently reborn Baltic states as they experience their post-Soviet renaissance. From the medieval lanes of Tallinn, Estonia, and Riga, Latvia, to the legacy of Gdansk, Poland’s, “Solidarity” movement, observe their rich traditions and newfound cultural vitality. Call on the ports of St. Petersburg, the cultural capital of Russia and home to some of the finest museums and palaces in the world, and Copenhagen, the regal capital of Denmark, before cruising the spectacular fjords of Norway.

Throughout the journey, your understanding of this rapidly changing region will be enhanced by a series of included and optional excursions led by expert guides. To complement your cruise program, we invite you to join the special two-night Stockholm Pre-Program Option and/or the two-night Post-Program Option in the ancient Hanseatic city of Bergen, Norway.

The romantic White Nights of Summer, the deluxe M.S. LE DIAMANT and the exclusive itinerary including a private meeting with Polish hero Lech Walesa make this an ideal opportunity to experience one of the most important historical epochs of our time and the Baltic region’s rich cultural heritage. This distinctive Cruising the Baltic Sea and the Norwegian Fjords program has sold out quickly the last four years, so we urge you to make your reservation now.

Sincerely,

Carrie Cadwell Brown, Ed.M ’82

Transfer to the exclusively chartered M.S. LE DIAMANT upon arrival. This evening, join the Captain for a special welcome reception and dinner.

TALLINN, ESTONIA
Wednesday, June 24
Having largely escaped the ravages of World War II, Tallinn’s Old Town has remained virtually unchanged for the past 600 years and has been designated a UNESCO World Heritage site. During the walking tour, visit the medieval Town Hall, the only surviving Gothic-style hall in Europe, and see the landmark Alexander Nevsky Cathedral and the 13th-century Church of St. Nicholas.

ST. PETERSBURG
Thursday, June 25
Arrive in the marvelous city of St. Petersburg, founded by Peter the Great in 1703. Spend one and a half days exploring the city’s legendary landmarks, scattered across more than 100 islands linked by six times as many bridges.

Following lunch, drive along the main thoroughfare, Nevsky Prospect, lined with exquisite Russian Baroque and neoclassical architecture, and see the Church of the Spilled Blood and 19th-century St. Isaac’s Cathedral, crowned by a striking golden dome. Tour the city’s first building, the Peter and Paul Fortress, which was constructed in 1703 to defend Russia against Swedish invasion and to secure Russia’s access to the sea. The impressive Baroque Cathedral of Sts. Peter and Paul contains the tombs of all of Russia’s czars, from Peter the Great to Nicholas II.

This evening attend an optional ballet performance in the historic Hermitage Theater or an optional Russian folklore show in the Nikolevsky Art Center.

ST. PETERSBURG
Friday, June 26
Begin your day with the specially arranged, early-opening tour of the renowned Hermitage, a former czarist palace and one of the world’s greatest art museums. Its spectacular collection is rivaled only by its ornate interiors.

Spend this afternoon in St. Petersburg on your own, or join an optional excursion to the imperial compound of Pushkin and Catherine Palace, an elaborate Baroque edifice built in 1741 by Peter the Great’s daughter, Elizabeth I, in honor of her mother. Visit the extraordinary Amber Room, where six tons of amber, deftly carved and framed in gold leaf, were the crown jewel of Russian art until the room was looted by the Nazis in 1941.

Admire the ornate fountains and gilded statues of the Grand Cascade at Petrodvorets, which reflects the power and vision of Peter the Great, when you join this optional excursion.
The room was meticulously reconstructed to commemorate St. Petersburg’s 300th birthday in 2003.

Alternatively, join an optional excursion to Peter the Great’s elegant summer estate and palace at Petrodvorets. Lined with exquisite gilded fountains and white marble statues, its gardens are among the most spectacular in the world. The visit includes a walk through the palace and grounds.

Return to St. Petersburg by hydrofoil. The ship departs St. Petersburg later this evening.

Tour Old Riga and see the Great Guild Hall Square, the Swedish Gate and the artfully designed Blackhead’s House, a magnificent 14th-century guildhouse destroyed in World War II. It was completely rebuilt with bricks donated by Riga’s citizens to commemorate the city’s 800th anniversary in 2001.

The M.S. Le Diamant is a rare find—an oceangoing vessel providing the deluxe amenities and superior standards offered aboard a larger ship with the intimate charm and enhanced navigability of a yacht. Distinguished by its intimate, casual ambiance and personal, attentive service, this exceptional vessel is continually refurbished to ensure that the highest standards of comfort and elegance are maintained.

All 113 spacious, outside staterooms or suites (ranging in size from 183 sq. ft. to 398 sq. ft.) are tastefully appointed and feature two lower twin beds that convert to one queen bed upon request, a private bathroom with shower (some staterooms have bathtubs and showers), telephone, television, DVD, minibar, double full-length closets, two nightstands, desk, hair dryer, duvets and plush terry cloth robes. Room service is available.

Continental breakfast, buffet breakfast, buffet lunch, afternoon tea and dinner are served daily in a single, unassigned seating. The Restaurant Îles de France offers innovative Continental fare in a relaxed, inviting setting. Guests may reserve a table at L’Escapade restaurant for more intimate evening dining. Complimentary house wine, beer, soft drinks, mineral water, coffee and tea are served at lunch and dinner.

The ship has three lounges, where nightly entertainment includes a cabaret and live music. Other public areas include the hair salon, boutique, library, masseuse and fitness center. A certified physician is on board. Two elevators provide access to all passenger decks.
We are honored to announce that by exclusive arrangement while in Gdańsk, our group will have a private meeting with Lech Walesa, winner of the Nobel Peace Prize and leader of the Solidarity movement in its fight against Communism.

A worker in Gdańsk’s Lenin Shipyard, Walesa emerged as a worldwide symbol of the resistance against Communism during the shipyard workers’ strike of 1980 and the establishment of the Solidarity labor movement. Despite winning the right to form an independent union, Walesa and Solidarity were forced to continue their struggle against the Soviet-backed regime of General Jaruzelski, which jailed Walesa and imposed martial law in Poland in December 1981.

In 1983, Walesa received the Nobel Peace Prize, a watershed moment widely considered to have been the first crack in the Iron Curtain of Soviet Communism that crumbled with the Berlin Wall in 1989. Only the third foreign dignitary, after the Marquis de Lafayette and Winston Churchill, to address a joint session of the U.S. Congress in 1989, Walesa served as President of Poland from 1990 to 1995.

We are indeed proud that this Polish hero and international symbol of the pursuit of freedom and democracy has agreed to meet with our group.

The 15th-century Gdańsk Crane is the largest medieval port crane in Europe and symbolizes Poland’s glorious maritime heritage and seafaring traditions.
